NEURO MUSCULAR THERAPY

A growing, progressive leader in the field of NMT and orthopedic massage seeks **FULL-TIME THERAPISTS** to join our busy practice. We have recently expanded our facility in Needham, Mass.

The focus of the practice is soft tissue injuries, recovery and prevention. We work with clients to achieve athletic longevity and performance goals, and collaborate with other health care professionals to design comprehensive rehabilitation programs.

At **360 NEURO MUSCULAR THERAPY (NMT)**, each staff member has the same "toolbelt" of techniques, but is given autonomy with his or her clients. The ideal candidate enjoys focusing on orthopedic massage and wants to specialize in the NMT approach to treating soft tissue pain. Candidates newer to the field who are interested in developing advanced manual skills are especially welcome. As we grow, so can you!

BENEFITS:

- Company-sponsored continuing NMT education • Management track opportunities • Teaching opportunities
- Excellent, competitive compensation • Regular staff exchanges of bodywork

REQUIREMENTS:

- Certificate from accredited massage therapy program • 6 months to 1 year work experience in the field
- Movement, athletic or artistic background encouraged • Undergraduate/Bachelors Degree
- Membership in the American Massage Therapy Association or the Associated Bodywork & Massage Professionals
- Personable, with good communication and writing skills for collaborative work with MDs

To apply, send your resume and a cover letter to:
